

1 Day Short Course

DIY Skin Care Products

Care for your skin – create your own natural skin care products

Most Popular
and Highly
Rated Course

“

I really enjoyed learning how to make my own natural skin care products. I am now making a lot of my own products at home and using them as gifts for friends and family ”

Everyday use of some skin care products can be harmful to the body, with chemicals causing common conditions such as rashes, irritation and itchiness, dry and damaged skin. If you would like to learn how to treat your body with harmless, natural skin care products, then this course is for you. Learn to prepare natural body care and skin care products made from natural ingredients without synthetic chemicals or harsh preservatives.

Discover the rewarding experience of manufacturing your own personalised skin care products. This short course explores the common chemicals used in skin care, the harmful effects they can have on your body and most importantly what you can do about it.

Participants will take home a selection of skin care products that they have made themselves free from harmful chemicals and enriched with pure plant botanicals.

This short course is designed to demonstrate the importance of knowing what we are putting onto our skin and the effects it can have on our body. Make your own products at home – purchase ingredients online at www.store.endeavour.edu.au.

WHAT YOU WILL LEARN

Over one day participants will learn theoretical and practical skills including:

- Common ingredients found in skin care products
- Natural alternative ingredients
- Make 5 different natural skin care products from scratch
- Safe application of essential oils on the skin

1 Day Short Course 9am to 4:30pm

This course is accredited with ANTA for 6.5 CPD points
