# Treating with Homeopathy

Gentle and effective Homeopathic first aid prescribing for the whole family

“

I enrolled to find out more about Homeopathy and to get a better understanding of this form of natural medicine. I was impressed with the lecturers' enthusiasm and wealth of knowledge. I am now not only inspired to learn more, but have started using homeopathic treatments at home.”

”

Homeopathy is used throughout the world and is a particularly popular form of natural medicine in Europe and America. Homeopathy is based on the Law of Similars which denotes that a substance which is capable of producing symptoms in a healthy person is capable of removing similar symptoms in an ill person. Minimal doses of medicine are prescribed to treat a person to work on a vibrational level within the body.

Some of the first aid situations that you will learn to treat in this one day short course are: Injuries like bruising, stings, cuts, burns, ulcers; As well as Emotional situations like grief, anger, shock and restlessness.

## WHAT YOU WILL LEARN

Over one day participants will cover:

- What is Homeopathy
- The history of Homeopathy and how it is used around the world today
