

2 Day Short Course

# Tui Na Massage

Learn how to massage over clothing  
with this traditional Chinese treatment

“

The Tui Na Massage short course provided me with the opportunity to offer another form of treatment to my massage clientele. I have received positive feedback from my clients and will continue to offer Tui Na treatments in conjunction with remedial massage ”

Tui Na Massage is a Traditional Chinese style of dry massage meaning that there is no oil used and massage is conducted over clothing. This style of treatment appears to have developed from the need for therapists to be able to treat patients while they were fully clothed due to religious and medieval caste systems in the countries of origin.

In this two day short course you will learn how to apply a full Tui Na Massage. This short course is for students of remedial massage or practitioners who want to add another dimension to their scope of practice.

**Please wear comfortable clothing suitable for the practical component of this course.**
